Hello Sirs,

I do appreciate the efforts for Kerasotes to provide captioning at Schererville for the Northwest Indiana area. Thank you.

I write this to you in support of moving the open captioned films hosted at Schererville Showplace 16 to Hobart Showplace 12. It has been hard to go to the movies because it is so far. I know that many people will go to the open caption movies if it is hosted at the Hobart Kerasotes Theater.

Sincerely,
